### Biocidal Products Regulation

At the present time, TriMark does not have any products that contain any active substances that would classify under the four main areas of Biocidal Products Regulation (BPR, Regulation (EU) 528/2012); namely disinfectants, preservatives, pest control and other biocidal products.

A handwritten signature in black ink, appearing to read 'Lynn Hopp', written in a cursive style.

Lynn Hopp  
VP of International Operations & Resources
