

060-1200
RV Screen Door Latch

This product is designed to secure the screen door on recreational vehicle entrance doors including motor homes and travel trailers. It features a sturdy aluminum die cast construction and a low profile design that works with a variety of doors.

FEATURES/BENEFITS:

- Dual function -- latch secures the screen door to the exterior door as well as the door jamb
- Allows for one hand operation with positive slam action latching function
- Low profile design will work with a wide variety of doors
