010-1100 TriGuard Heavy Duty Rotating Handle

This robust exterior L-handle features modular construction that allows for customization, including the use of light weight materials without sacrificing strength. The handle also allows for use of a padlock for security

- Entrance and rear door application for heavy-duty vehicles
- Interior and exterior applications
- Medium to heavy duty doors of 23-455kg (50-1000 lbs.)

FEATURES/BENEFITS:

- Heavy duty modular construction
- Padlockable for additional security or non-locking versions available
- Modular construction allows for serviceable handle components disassembly
