History and Corporate Facts

TriMark Corporation is an employee-owned company and is a recognized leader in the design and manufacture of quality hardware products for the recreational vehicle, agricultural, truck, construction, and industrial enclosure markets. The TriMark corporate headquarters is located in New Hampton, Iowa, USA. TriMark serves the China market through TriMark Xuzhou and the European market through its subsidiary, TriMark Europe Ltd, based at Bardon Hill, near Coalville, Leicester. TriMark has been a valued partner supplier to Caterpillar for more than 40 years, in addition to other global customers, including John Deere, Volvo, Paccar, AGCO, Case New Holland, and Winnebago, who provide world class vehicles and equipment.

TriMark is one of the world's leading innovators, designers, and manufacturers of heavy-duty vehicle hardware. TriMark offers a wide range of handles, latches, striker bolts, linkages and complete door access systems and related components of truly exceptional quality.

For more than 45 years TriMark has been recognized as a true customer partner while building a global reputation for providing customers precisely the systems solutions they require.
