Edition 27 November 2025

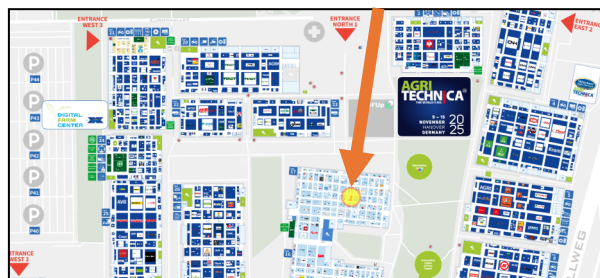

TriMark Europe, United Kingdom - November 2025 — TriMark Corporation will be exhibiting at Agritechnica 2025, the world's largest trade fair for international agricultural machinery, which takes place on November 9-15th at the Hannover Exhibition Park. The event is expected to bring together 475,000 visitors from 150 countries and 2,800 exhibitors.

We would like to invite you to Hall 17 Stand C44 to see why TriMark is the leading global door solution provider offering Global **Reach**, Global **Support** and Global **Supply** of access door systems with products that are **Designed** for you, **Built** for you and **Secured** for you.

Product Showcase

We are excited to show our latest mechatronic Push Button and Pull Handle families offering state sensing, power locking and capacitive sensing with the same mounting and space claim. We will be demonstrating our latest PKE system, featuring passive keyless entry, keyless start and immobilization as well as our newest line of Powered Products that provide several solutions for hard closing doors due to high door seals, air compression or prebowed glass.

Also on display are six popular door access systems that feature our latest exterior/interior handles, rotary latches and linkages that range from compartment door applications up to full personnel door solutions.

If you would like to see a full demonstration of TriMark products or would like to discuss your specific applications, please contact Richard Footer, European Sales Manager at sales@trimarkeu.com or click on TriMark's exhibitor page and send a 'message' or set-up an appointment.

Hoping that we will see you there
David Farrar, Managing Director TriMark Europe Ltd
